FEES:

1. Members in good standing may complete and submit the Application Form, signed on both sides, with a \$400.00 cheque (payable to the Club and not post dated) prior to February 28th. Failure to do this will result in loss of priority for docking. Late filing will result in a \$25.00 late charge.
2. Annual Dock, Dry Hoist and Launch Ramp rates and any special assessments will be set by the DYC Board and published in the DYC club paper, "The Breeze".
3. Member's boats must be in DYC docks by May 20th unless special arrangements are made with The Dock Chairman. Otherwise the dock will be reassigned and \$400 dock deposit is forfeited.
4. Dock rental fees paid shall not be refunded under any circumstances, even if the dock holder quits the Club, is suspended or expelled, or sells his boat.
5. Fees charged for dock rental include summer cradle storage (for knock-down cradles only).
6. To store a trailer in C-Yard, an application and \$75.00 fee must be submitted by May 15th. A late fee of \$25.00 applies thereafter.

ASSIGNING DOCKS:

9. The initial dock allocation will INCLUDE ONLY members in good standing whose docks requests are received with a valid deposit on or before February 29th 2012. Remaining empty docks will be allocated to members in good standing paid after February 28th, in secondary rounds of dock allocation. Docks shall be assigned by the Dock Chairman for the benefit of all members and in the best interests of the Club. A member who has paid for a dock shall normally have first option for that dock in the following year during the initial dock allocation, but is not guaranteed that dock. Vacant docks assigned to new members during the season are subject to reallocation. Any docks not assigned to returning members in the initial dock allocation will be offered to members whose boats fit in those docks, on the basis of fit, best interest of the club, special needs and dock points. Members who submit applications by February 29th will have priority on vacated docks over those who submit after February 29th.
10. A member vacating a dock for one year may retain priority for that dock by paying the full dock rental fee for that year.
11. DYC reserves the right to use any dock vacated for more than 24 hours for a visitor boat. Please notify the office when you intend to be away.
12. Vacated docks will be reassigned according to dock points. Members may request changes at time of Application for Dockage.

ELIGIBILITY TO USE DOCKS:

13. Members may occupy only docks assigned to them by the Dock Chairman, only if fully paid for, and only for the boat applied for.
14. Applications must specify the names of any non-family who are co-owners or co-users of the boat, all of who must be DYC members. Any change in ownership requires a new Application.
15. If there is waiting list for docks, a member shall be assigned one dock only.
16. Members who are expelled from membership, or who sell their boats, must remove their boats from DYC docks, walls and property within 7days.

SAFETY AND OTHER ITEMS:

17. Catamarans are permitted on a trial basis.
18. Owner must maintain Public Liability and Damage Insurance on my boat of at least \$1,000,000.00.
